NOTIFICATION

ADMISSION TO PG MEDICAL COURSES,KERALA - 2026

SECOND PHASE ALLOTMENT PUBLISHED

The result of the Second-Phase Seat Allotment process for admission to the PG Medical Courses-2026 in the Government Medical Colleges in the state, Regional Cancer Centre (RCC), Thiruvananthapuram, Malabar Cancer Centre, Kannur, and Private Self-Financing Medical Colleges in the state has been published. The additional vacancies that arose after the publication of the provisional allotment list were also included in the seat allotment process. The allotment list is available on the Candidate Portal on the website of the Commissioner for Entrance Examinations at **www.cee.kerala.gov.in**.

To view the allotment result, candidates should log in to the "**PG Medical 2026 - Candidate Portal**" on the website www.cee.kerala.gov.in using their Application Number and Password. After logging in, candidates can view their allotment result by clicking the "**Allotment Result**" link.

The allotted candidates should report physically to join their allotted colleges from **26.11.2026 to 30.11.2026, before 5:00 PM** , along with the required documents specified in the Allotment Memo and the Prospectus. The Allotment Memo must be produced before the admitting authority at the time of admission, and the fee should be remitted at the allotted college during admission. The college authorities concerned should approve the list of admitted candidates through the **Online Admission Management System (OAMS) before 11:30 AM on 01.12.2026**.

Inclusion in the allotment list does not guarantee admission; the allotted seat will be confirmed only after the admitting authority/competent authority verifies/re-verifies the original documents supporting the candidate's

eligibility claims during the admission process/as and when required.

Note: *Candidates who do not join the allotted colleges within the stipulated time will forfeit their allotment.*

If a candidate, currently admitted in a seat allotted in the first phase, has secured an up-gradation to a higher option in the second phase, the first seat is no more available to the candidate and, therefore, the candidate has to join the newly allotted seat within the last date of joining specified for the second phase, failing which the candidate will be left with no allotment from the state counseling at the end of the first two phases.

Those candidates, who have uploaded sworn affidavit of sponsor in case of memo for defect rectification in visa validity expired/expiring for NRI claim, have been included provisionally in the allotment. Their Allotment/Admission in NRI quota seats, if any, will be cancelled if they fail to submit the documents on or before the last date for the Option Confirmation to Third Phase Allotment for PG Medical Courses announced by the Commissioner for Entrance Examinations and will not be considered for NRI seats in further allotments.

The allotment of SC/ST candidates whose category verification is pending with KIRTADS is provisional and subject to the final decision of the Screening Committee, based on the report submitted by KIRTADS.

Third Phase Allotment Process:

The vacancies remaining or arising after the Second Phase Allotment, shall be filled in the Third phase Allotment. There will be facility for fresh option registration in the Third Phase. Applicable category conversions of seats will take place in the Third Phase Allotment.

Candidates who wish to vacate the seats joined through First/Second Phase allotments will be provided a time window to exit the seat prior to the Third Phase allotment. Any vacancies remaining after the Third Phase allotment will be filled by conducting a stray vacancy filling allotment. If vacancies exist even after the initial stray vacancy filling allotment, and if there is sufficient time before the cut-off date for admissions prescribed by the National Medical Commission, additional stray vacancy allotments may be conducted based on the options registered for the initial stray vacancy filling allotment.

Conditions for Third Phase Allotment:

1. Those candidates who have not registered in the First Phase shall have to pay Option Registration fee for fresh registration.
2. Those who have got allotment in Second Phase and do not take admission shall have to pay Option Registration fee for fresh registration in the Third Phase.
3. Those who vacate the seat allotted in the First/Second Phase, after the last date for exit prescribed by the CEE, will not be eligible to participate in the Third Phase Allotment.
4. The options registered in the previous Phases will not be considered for allotment in the Third Phase.
5. If a candidate freshly register options in the Third Phase and is not allotted any seat, he/she is eligible to participate in stray vacancy filling phases.
6. Candidates getting allotment in the Third Phase Allotment shall not have any claim on any seat allotted through earlier phases.
7. A candidate allotted a seat in the Third Phase shall be ineligible to participate in the stray vacancy filling phases.

All details related to the allotment process are available on the website: www.cee.kerala.gov.in. Candidates are required to visit the **website regularly for updates.**
