Examinations dated 23.07.2019

**ORDER**

As per the Government order read above, the prospectus for admission to Professional Degree Courses in the State during 2019 has been approved by Government. Subsequently, Kerala Engineering, Architecture and Medical Entrance Examination (KEAM-2019) was conducted by the Commissioner for Entrance Examinations and rank list published.

2. It has come to the notice of Government that there are many instances in which the candidates, who have qualified the Kerala Engineering Examination (KEAM-2019), could not upload mark list of the qualifying examination within the time limit stipulated in the KEAM 2019 prospectus due to some technical difficulties and hence not included in the rank list published by the Commissioner for Entrance Examinations. Representations from many quarters, including parents, have been received in Government requesting to prepare a supplementary rank list for B. Tech admission for the year 2019-20.

3. Government have examined the matter in detail and are pleased to accord sanction to the Commissioner for Entrance Examinations for the preparation of a supplementary rank list for B. Tech admission for the year 2019-20 subject to the following conditions:

1. The supplementary list shall be prepared from among the candidates those who have qualified KEAM 2019 and who have not uploaded the mark list of the qualifying examination.
2. The supplementary list will be applicable to the vacant seats existing in Government Controlled Self Financing Engineering Colleges and Private Self Financing Engineering Colleges only. The qualifications of the candidates to be included in the supplementary list shall be in accordance with Clause 6.2 and Clause 9.7.5. of the KEAM 2019 Prospectus.
3. The preparation of the supplementary list will be a onetime measure for the academic year 2019-20.
