6. The various lists of candidates for the **college level stray vacancy filling** after the mop-up allotment will be prepared based on the options registered for the mop-up allotment process. So, candidates who intend to participate in the institution level stray vacancy filling should participate in the mop-up allotment also by registering fresh options for the mop-up allotment.

While doing selection as per the statewide break up of seats, an institution wise break up of seats for the various categories, following the principle of reservation will also be maintained for the allotment of seats for the course in each college.

While a reserved category candidate entitled to admission on the basis of his merit will have the option of taking admission to the colleges where a specified number of seats have been kept reserved for reserved category, when computing the percentage of reservation he will be deemed to have been admitted as an open category candidate and not as a reserved category candidate”.

- iii. Vacancies arising after the first round of allotment of seats will be filled up according to the rank and options submitted by the candidates and observing the reservation rules on the basis of the priority given in the option form.
