The Candidates can register their options online by clicking the menu '**Option Registration**' available in the home page. A security deposit / option registration fee of **Rs. 10,000/-** will have to be paid at the time of option registration. For SC/ST/OEC and other candidates who are eligible for fee concession, **Rs.5000/-** will have to be paid as security deposit. The registration fee will be adjusted to the course fee if a candidate gets allotment. The registration fee of those candidates who do not join within the stipulated time after getting the allotment and those candidates who quit the seats after taking admission will be considered as penalty and will not be refunded.

In the **second phase counseling**, there is no facility for fresh option registration for the candidates. Only option confirmation/deletion/re-arrangement of the existing valid options is possible. Option confirmation is compulsory to participate in the second phase of the allotment process.

Option registration will be available only to any new course/college added to the allotment process at this stage. If a candidate is allotted a seat in the first phase and joined the allotted seat, his/her higher options will be retained and all those options listed below the allotted option will automatically be deleted thus enabling only upgradation/retention of the same seat. After the first two phases of counseling, **third/final phase counseling** will start, which offers fresh option registration to candidates.

The conversion of seats if any will be carried out during the final phase of allotment.
