Application Fee Payment

Following payment method is available for remitting the application fee.

- Online Payment

Online Payment:

The Application fee can be paid through online payment. Those having an Internet banking account, Credit card or Debit card can make use of this feature. Candidates availing this facility should read and follow each of the instructions given in the website carefully in order to ensure that the payment is successful. On successful payment, the candidate will be guided back to the home page wherein he/she will find the 'Pay Application fee' tab at the top turned green. If the payment transaction was unsuccessful, a message to that effect will be displayed on the screen and the candidate would be guided back to the homepage. On the other hand, if the candidate fails to receive the final confirmation (success or failure) message and is uncertain about the outcome of the transaction, due to communication failure or otherwise, he/she can re-login to the home page and inspect the 'Pay Application Fee' tab at the top to see if it's green or not. If it has not turned green, the payment has not succeeded and the candidate may try for online payment afresh. If the candidate's account is debited for an unsuccessful transaction, the amount will be reverted to his/her account within five working days.
