NOTIFICATION

ALLOTMENT TO PG MEDICAL COURSES - 2026

SECOND PHASE ALLOTMENT
FACILITY FOR OPTION CONFIRMATION/ DELETION/RE-ARRANGEMENT AVAILABLE

The second phase Centralized allotment to Post Graduate Medical Degree Courses for the academic year 2026-27 in the State commences from 17/11/2026.

Candidates including Service Quota candidates and PwD candidates included in the State merit list published by the Commissioner for Entrance Examinations can log in to the website **www.cee.kerala.gov.in** and then click the link **'PG Medical 2026-Candidate Portal'** to access their home page wherein the link to Option Confirmation/Re-arrangement/Deletion activities can be found. Clicking the **Confirm** button accessible through the menu item **Option Registration** available in the home page accomplishes the Option Confirmation procedure which is mandatory for the options carried forward from the first phase to be considered in the second phase seat allotment process. Candidates can re-arrange/delete any of these options if required. This procedure is applicable to Candidates who have not received any allotment in the first phase also. The facility for online option confirmation/deletion/re-arrangement shall be available in the above website from 17/11/2026 to **23/11/2026,10:00 AM.**

Option Confirmation is mandatory

In the Second Phase counselling, there is no facility for fresh option registration except for any new course/college/quota added to the centralised allotment process at this stage. But, options carried over from the first phase can be re-arranged or deleted. If a candidate was allotted a seat in the first phase and joined the allotted seat, his/her higher options (those above the allotted option) are available for confirmation/deletion/re-arrangement in this phase and all the lower options (those below the allotted option) have automatically been deleted thus allowing only up-gradation to a higher option or retention of the same seat. If a candidate who joined the course allotted in the first phase does not confirm that the higher options are to be considered for allotment in the second phase, he/she will not be considered for up-gradation in the second phase, but the seat allotted in the first phase will be retained. So, if a candidate who joined the course allotted in the first phase does not want up-gradation in the second phase, he/she need not confirm the higher options or can delete the higher options.

The candidates who were allotted a seat in the first phase but did not take admission in the respective colleges within the stipulated time and those candidates who quit the seats after taking admission will lose their present allotment as well as all the higher order options and will not be considered for the second phase allotment except in case where options can be registered for the newly added courses/colleges if any. The registration fee of such candidates who did not join within the stipulated time after getting the allotment and those candidates who quit the seats after taking admission is considered as penalty and will not be refunded. However, such candidates can register options for newly included courses if any, after payment of option registration fee. Following candidates are eligible to participate in the Second phase allotment by clicking the ‘Confirm’ button available in the

home page of the Candidate Portal.

- Candidates who have received an allotment in the first phase and got admitted to the allotted colleges and continue in their admitted status.
- Candidates who have not received any allotment in the first phase, and who want to be considered for the second phase of allotment.

Candidates who **will be excluded** from Phase 2:

- Candidates who were allotted a seat in the first phase of the State counselling but did not join the allotted seat or vacated the seat after joining, will be left with no options to be carried forward to the second phase other than any fresh options corresponding to a newly added course/college/quota which he/she is eligible for.
- Candidates not satisfying any of the essential eligibility criteria will not be eligible for seat allotment.
