

Guidelines for Chief Superintendent Registration

1. Register as a Chief Superintendent by entering your Name, Email ID, Mobile number, and completing the CAPTCHA on the screen.
2. After registering, you will receive your login credentials via SMS and email (and in the Sandes app, if installed).
3. Log in with the user credentials-
User ID: Registered mobile number
Password: (Check your SMS/email/sandes app)
4. You must reset your password and log in with the new password.
5. You can update your profile details and select 3 preferred districts where you would like to work.
6. After submitting your profile details, you can enter your bank account information with utmost care.
7. Before confirming, ensure that all details are correct, as no further corrections will be allowed.
8. After confirmation, your registration process will be complete.
